

So you don't have to look for long

For guests visiting Jena we have compiled the most important information for your **orientation on the spot**.

If you are looking for more detailed information we recommend to visit our "Stadtspeicher? ("City Storage Room?)" in the historical marketplace. This is where JenaWirtschaft, the Tourist Information Jena and the Stadtspeicher association are located.

You will find information about the **technology location Jena** as well as all the things worth knowing about Jena's **places of interest and cultural offers**.

You would like to know more?

Then you'll find more recent city news on the following pages:
